

School Community Council

December 2017

The image features a vibrant background with yellow and blue vertical stripes. A white rectangular box is centered horizontally, containing the text. Below the white box, a solid black horizontal bar spans across the width of the text area.

Celebrations: Things Going Well at the School

School Goals 2017-2018:

Language Arts:

Goal: The percent of students grades 1-3 making one year growth on the Dibels end of year assessment will improve from 84% to 86%.

Nebo Goal (Board Goal) Connection:

90% of Third Grade Students will read on grade level.

Explanation of Goal:

Few questions from last meeting: Data to explain goal:

Dibels report from District

How are we supporting our students that need help?

Teachers: What are they doing? Tier I

Title One Teachers: What are they doing? Tier II

Money this year-

Books For the Title One Program

Conferences-

Audio Enhancement In Classrooms

Workshops/ Conferences

Mrs. Grill -

Mrs. Leavitt-

Looking Ahead

Progress Monitoring this year

In the future- Kenra Asay

Early Steps

Next Years Goals:

We are thinking Progress Monitoring the Whole School that is below grade level.

What that might look like-

In the budget we would have to plan for the extra cost-

Books- High Interest Level, Low Readability

Guided Reading Library

Thank you For Your Support!!!!

Have a Great Afternoon!!
