Have you ever asked yourself:

- What's my "role" as a parent in the IEP process?
- Where can I go for help and questions about my child's IEP?
- How do I best communicate my concerns with the school?

This workshop will help parents understand their role, rights and responsibilities in the IEP process. They will learn how to effectively prepare for, participate in and follow-up on IEP meetings held on behalf of their child. Parents will also learn tips to help them work more effectively with their IEP team. There will also be **PRIZES** given!
